mr stoner is bad and it seems his son is turning out just the same masked and dressed all in
gray stoner s boy moves like a ghost up and down the river stealing and causing mischief
seckatary hawkins and his club have crossed this dangerous lad and to make matters worse
briggen and the pelham gang across the river won t leave the ruthless thief alone they know
that he s hidden his treasure hoard somewhere in his cliff cave lair and they re dead set on
having it for themselves still it doesn t seem that anyone can stand up to this clever foe
except maybe another newcomer in town sharpshooter robby hood who is the only person that
stoner s boy seems to fear before nancy drew and the hardy boys seckatary hawkins and his
friends from the fair and square club were solving mysteries and thrilling readers with tales of
adventure loyalty and courage one of the biggest fans of the series was author harper lee and
stoner s boy makes a prominent appearance in her masterpiece to kill a mockingbird now the
tales of the fair and square club s encounters with the river renegade known as the gray ghost
are back in print and ready to ignite the imaginations of devoted fans and new readers of all
ages

discover an american masterpiece this unassuming story about the life of a quiet english
professor has earned the admiration of readers all over the globe william stoner is born at the
end of the nineteenth century into a dirt poor missouri farming family sent to the state
university to study agronomy he instead falls in love with english literature and embraces a
scholar s life so different from the hardscrabble existence he has known and yet as the years

pass stoner encounters a succession of disappointments marriage into a proper family estranges him from his parents his career is stymied his wife and daughter turn coldly away from him a transforming experience of new love ends under threat of scandal driven ever deeper within himself stoner rediscovers the stoic silence of his forebears and confronts an essential solitude john williams s luminous and deeply moving novel is a work of quiet perfection william stoner emerges from it not only as an archetypal american but as an unlikely existential hero standing like a figure in a painting by edward hopper in stark relief against an unforgiving world

how can corporate power be effectively challenged when states struggle to regulate corporations and companies wield stronger incentives and threats than citizens can exert on governments historically industrial actions and labor movements have been the most effective forces against corporate dominance but are they the only ones what roles can other stakeholders beyond trade unions play this book argues that curbing corporate power preventing its abuses and strengthening democracy require strategic people power by collectively withdrawing cooperation and consent civil society can disrupt and erode the pillars that sustain corporate influence drawing on nonviolent action theory and social movement research this book expands the conversation on corporate social responsibility and corporate accountability it explores how the strategic logic behind the civil rights movement democracy campaigns and anti colonial struggles can guide modern efforts to hold multinational corporations accountable this work is essential reading for scholars in corporate social responsibility labor studies sustainability organizational studies and collective action it also offers valuable insights for activists practitioners of nonviolent resistance and anyone committed to corporate accountability and social justice

this book includes selected peer reviewed chapters which cover novel aspects of cysticercosis and neurocysticercosis written by well known international researchers representing the most relevant working group for cysticercosis of mexico peru ecuador most of the eastern and southern africa countries and europe plus other contributions from canada and united states of america unfortunately our colleagues from asia could not participate in this project for several reasons but we hereby acknowledge their contribution to the scientific level reached by the international scientific community apart from the classic issue that cannot be missing in any book about cysticercosis neurocysticercosis we introduced a new hypotheses and novel aspects on historical background clinical descriptions investigations and treatment modalities related to this zoonotic parasitic disease as a leading cause of epilepsy in developing countries we are looking forward with confidence and pride in the vital role that this book will play for a new vision and mission
